

St. Vincent Pallotti College of Engineering And Technology

Department of Computer Engineering

Session 2020-21

CLAB-I practical Execution instructions

1) Refer following website for practical Course material:

<https://sunilwanjarisvpct.wordpress.com/> (go to student's corner section-Clab-I)

2) Students need to write the practical as per our manual practical conduction on plain A4 pages in your own handwriting and scan it.

3) Use <https://sunilwanjarisvpct.wordpress.com/computer-lab-i-html-and-css/> online simulator to execute the practical and take screen shot.

4) Along with practical pages scan copy paste this screenshot in doc file and save file as 2CEAXX.doc for section A students and 2CEBXX.doc for section B students where XX is your roll no. and convert it to pdf .

5) Upload created file at <https://sunilwanjarisvpct.wordpress.com/file-upload-tool/>

6) The output should not be the same for all, otherwise it won't be considered.

6) For any queries, students can contacts their respective practical in-charge.

Practical In-charge:

1) Prof. S. M. Wanjari (Batch A1, B1, C1)-swanjari@stvincentngp.edu.in

2) Prof. G. C. Jarbais ((Batch A2, B2, C2)- gjarbais@stvincentngp.edu.in
